

SURF WORLDWIDE Quality Management Policy

“Quality is the Heart of Creativity, the Aorta of Continuity”

SURFWORLDWIDE commitment to *Quality is indispensable to all we do*. The main goal is to provide its customers the Top-Quality Product & Professional Services ensuring utmost performance consistency, safety and value. This commitment is solid & firm in our corporate values and essential to our continued growth and success.

We aim to meet our comprehensive "**SURFWORLDWIDE** Quality Standards" in: Planning, Review, Evaluation, Marketing, Implementation and Execution of all Supplies, Products, Services, and Works; which **MUST** meet or exceed the applicable International Standards Requirements and Customer Expectations Worldwide.

In addition, **SURFWORLDWIDE** shall maintain these high-quality standards valid as we Plan, Review, Evaluate, Market, Implement and Execute of our all Supplies, Products, Services, and Works by the most professionals applying the most efficient means possible in order to ensure they are affordable to all customers.

In Brief, **SURFWORLDWIDE** is committed to:

- Deliver & Commit to the Top-Quality Products & Professional Services at affordable prices,
- Comply with applicable International Standards to all products & Services,
- Maintain and Commit to the Product & Services Consistency & Sustainability in performance,
- Execute the Team Working, Transparency, Integrity, and Fast Track Response in all Works,
- Ensure the Market Responsiveness by implementing our "Global Quality Standards".
